

Adam Parsons – Location Sound Mixer
217 Oakcrest Ave
Toronto, ON, M4C 1B8
(416) 951 – 5398
adam@audiosolutions.ca
www.audiosolutions.ca

Recording clear location sound is essential and I pride myself on capturing the cleanest audio possible in any shooting condition, any climate and any environment that you can get a crew into.

Education:

- Ryerson University: BFA Image Arts - Film Production – 2004-2008
- Brian Moncarz: Acoustic Principles and Design, Co-op Internship – 2007-2008
- AES New York: Live Sound Seminar L9 – Automixing for Live Sound – 2011
- AES New York: Live Sound Seminar LS11 – Wireless Frequencies on Location – 2013

Associations & Awards:

- 2008 Documentary, Outstanding Sound Design: Bay Film Festival - “The Futurist”
- 2012 Associate Member of the Audio Engineering Society

Skills:

- **Sharp and balanced hearing**
- **Comprehension of location acoustics for varying interior and exterior shooting conditions**
- **Practiced operator recording and mixing with digital and analogue devices: Hard Drive (Dual System), Nagra, and Mixer to Camera setups (ENG etc.)**
- **Knowledge of microphones, wireless recording systems and signal frequency alterations**
- **Expert understanding of dynamic range, control and noise filtering for live mixing**
- **Valid United States Work Visa, with Equipment Carnet and valid Canadian Passport**
- **G licenced driver with a clean driver’s abstract and a personal vehicle**
